

KAGE

**Anime-Inspired Co-op Action Game
with Voice-Activated Techniques Announced**

KAGE is a fast-paced co-op action game where anime-inspired warriors unleash devastating techniques and fight together to become legends.

Shout your abilities to activate powerful techniques. Hunt bosses. Gather rare loot. Experiment with crazy builds. Grow stronger with every battle.

In **KAGE**, you're not just fighting enemies — you're building your own path to power.

Play solo or team up in online co-op for up to 4 players. Explore dangerous locations, unlock new characters, master powerful techniques, and upgrade your village between missions.

KEY FEATURES

Anime Combat

Unleash explosive anime-inspired techniques and activate them with your voice. Combine abilities, chain attacks, and dominate the battlefield.

Co-op Action (Up to 4 Players)

Team up with friends to fight hordes of enemies, hunt powerful bosses, and experiment with different team builds.

Dozens of Characters & Builds

Unlock dozens of playable characters and discover unique abilities, weapons, and items to craft your own combat style.

Upgrade Your Village

Return home between missions. Unlock new NPCs, upgrade facilities, and prepare for even greater challenges.

Retro PS1 Style

Low-poly visuals and explosive effects inspired by classic PlayStation action games.
